

Funding Renewal Request

Submit Financial Assistance Request including a proposed budget and a plan to become self-sustaining. (see following page in this notebook for the Financial Assistance Request Form)

Budget Guidelines Priorities

A Budget team made up of the National Church Starting Team Leader, East & West Advocates, and one representative from the Send team will review all requests around October 1st of each year. Our guidelines to determine priority funding are listed below:

1. To start new seeds and congregations
2. The most unreached or evangelized
3. Self-Sustainability
4. Indigenous
5. Church planting center partnerships
6. To explore new communities in search of a person of peace
7. To assist church starting churches to start seeds and congregations
8. To equip church starting leaders.

After reviewing all requests the team will mail you a Church Starting Covenant. This covenant must be read, understood, and supported by your seed/congregation.
