The **Share Team** assists churches and individual Christians in becoming intentional communicators of the good news of Jesus. The team provides evangelism materials and training to help Christians share Christ more effectively. The team also develops partnerships between churches and leaders, enhancing evangelistic efforts across Canada. ## **START**

The CNBC **Start Team** works through National Advocates, Regional Advocates and church -starting Churches. These are CNBC churches who give themselves away to start healthy, reproducing and cooperating congregations.

*“Jesus said, 'What is the Kingdom of God like? How can I illustrate it? It is like a tiny mustard seed that a man planted in a garden; it grows and becomes a tree, and the birds make nests in its branches.'” Luke 13:18-19 (NLT)*

## **STRENGTHEN**

The CNBC **Strengthen Team** advances God’s kingdom by encouraging churches to strengthen one another. This happens most effectively through Church Strengtheners and Regional Church Strengthening Coordinators. We are asking God for a movement of His Spirit throughout our churches where cooperation and encouragement happens. *Two are better than one, because they have a good return for their work: If one falls down, his friend can help him up. But pity the man who falls and has no one to help him up! ...A cord of three strands is not quickly broken. Ecclesiastes 4:9, 10,12b NIV*

The CNBC **Send Team** provides opportunities for individuals and churches to give themselves away through missions involvement. We assist churches as they discover, develop and deploy leaders in their own Jerusalems, Judeas, Samaria. . . and to the ends of the earth.
